Title and Series Determination: Information Technology Specialist, GS-2210.

See the evaluation statement for the Information Technology Specialist, GS-2210-13, position, position description number S000329. The evaluation statement at the full performance level, GS-13, explains fully the allocation of this position to the GS-2210 Series, the basis for the position's title, and background information concerning the function of the position.

Grade Level Determination: Refer to the evaluation statement for the Information Technology Specialist, GS-2210-13, position, position description number S000329 for the grade determination. This is an interim position established to provide for a period of growth. The incumbent will receive assignments that are designed to develop the knowledge, skills, and abilities required to carry out assignment to the GS-13 level, the next grade level in the career ladder.

Conclusion: This position will remain at the grade GS-12 level until the employee meets the necessary time-in-grade requirements and the incumbent's supervisor certifies that the incumbent has reached the described level of proficiency and effectiveness contemplated at the GS-13 grade level. Upon meeting all requirements, the incumbent may be promoted noncompetitively to the level of GS-13, providing that sufficient work exists at that grade level to warrant establishing such a position.
